Beginning in 2015, to better align with IPEDS reports, Medical/M.D. enrollment was combined with the other doctor's degree-professional practice programs (Au.D., D.N.P., D.P.T) and enrollment in doctor's degree-research programs (D.B.A., D.Sc., Ed.D., Ph.D.) was reported separately from the remaining graduate programs (all master's programs, Ed.S., and other graduate students).
